OBJECTIVE

An aspiring UI/UX Designer and Web Developer with a strong foundation in HTML, CSS, JavaScript, PHP, and SQL. Seeking an entry-level role or internship to enhance technical skills, contribute to user-friendly experiences, and grow within a collaborative, design-forward team.

SKILLS

HTML, CSS, Javascript, PHP, SQL, Microsoft Excel and Word, Adobe Creative Cloud, performance monitoring and supervision, social media management

PROJECTS

Snake Game — *Solo Project* | *P5.js, CSS*

- Developed browser-based Snake Game from scratch using JavaScript
- Implemented dynamic controls and real-time scoring logic to enhance interactivity

To-Do List — *Solo Project* | *React, Firebase, CSS*

- Built a CRUD task management app with Firebase backend and real-time updates.
- Prioritized UI clarity and mobile responsiveness with custom styling.
- Practiced component-based architecture and form validation.

KAPWA Capstone: Introspection of Limited Language — *Multimedia Project* | *Video Editing, Storyboarding*

- Created a short-form documentary of personal narrative exploring language and cultural identity
 - Developed narrative structure and executed different aspects of video editing and motion design
 - Used principles of emotional storytelling, aligned with KAPWA's values of identity & community
-

WORK EXPERIENCE

Hostess — *Gravity Heights* | *Mission Valley, San Diego, CA*

Aug 2024 - Present

- Deliver welcoming, intuitive hospitality by anticipating guest needs and ensuring seamless dining experience
- Support team operations by efficiently controlling seating flow, reservations, table set up, and running food

Buyer Solo — *Buffalo Exchange* | *Pacific Beach, San Diego, CA*

Aug 2023 - Aug 2024

- Curated and priced clothing selections based on trends, brand recognition, and quality
- Gained knowledge of fashion aesthetics, textiles and visual merchandising

Shift Leader — *Happy Lemon* | *Kearny Mesa, San Diego, CA*

Feb 2020 - July 2023

- Supervised a team of 4-8 and trained new hires in customer service and daily routines
 - Handled inventory, POS, and closing procedures with precision
 - Ensured quality service by handling customer issues via phone, delivery systems, and in-store
-

EXTRACURRICULARS

Social Media Coordinator — *Asian Pacific Diversity Club* | *San Diego, CA*

May 2023 - Jun 2024

- Designed digital assets using Canva, Photoshop, and Illustrator for bi-weekly event promotions
- Applied color and typography principles for clear, visual communication

Member — *KAPWA Learning Community* | *San Diego, CA*

Aug 2022 - Dec 2024

- Engaged in collaborative learning focused on AAPI identity, empathy, and social justice through storytelling, research, and community building
 - Contributed to meaningful conversations on culture, self-discovery, and collective responsibility within a diverse cohort
-

EDUCATION

San Diego Mesa College — *A.S. in Web Development*

Aug 2021 - May 2025

University of CA, San Diego — *B.S. in Cognitive Science, Specialization in Design & Interaction*

Mar 2026
